HOMES *for the* HOLIDAYS

Silicon Valley's Summit League hosts a Holiday Home Tour and Boutique.

Established in 1957, **Summit League** is a non-profit organization committed to raising funds in the areas of education, health, welfare, and the arts. To date, Summit League has donated over \$1 million to programs that enhance the lives of the Silicon Valley community. Their main fundraiser is the bi-annual **Homes for the Holidays Tour (November 20 – 21)**. This year's event features three distinctive residences, including a classic 1920's almond grove cottage, a contemporary California-Mediterranean estate, and an eclectic villa with magnificent views. Proceeds benefit Child Advocates of Silicon Valley's Transitioning Teen Program. This innovative program specifically addresses the needs of 18 – 21-year-old foster youth as they leave the foster care program and transition into adulthood. www.summit-league.org
